INDEPENDENT AUDITORS' REPORT

To the Members of Britannia Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Britannia Industries Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow, the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Revenue Recognition (refer note 3(h) and 26 to the standalone financial statements) The revenue of the Company consists primarily of sale of food products that are sold through distributors, modern trade and direct sale channels amongst others. Revenue is recognized when the control of products is transferred to the customer and there is no unfulfilled obligation. Owing to the volume of sales transactions, size of the distribution network and varied terms of contracts with customers, revenue is determined to be an area involving significant risk in line with the requirements of the Standards on Auditing and hence, requiring significant auditor attention.	**Our key audit procedures around revenue recognition included, but were not limited to, the following:** • Assessed the appropriateness of the revenue recognition accounting policies of the Company including those relating to rebates and trade discounts, by evaluating compliance with the applicable accounting standards. • Evaluated the design and tested the operating effectiveness of the relevant key controls with respect to revenue recognition including general and specific information technology controls. • Performed substantive testing on selected samples of revenue transactions recorded during the year by testing the underlying documents including contracts, invoices, goods dispatch notes, shipping documents and customer receipts, wherever applicable. • Understood and evaluated the Company's process for recording of the accruals for discounts and rebates and ongoing incentive schemes and on a test basis, verified the year-end provisions made in respect of such schemes.

Key audit matter	How our audit addressed the key audit matter
The management is required to make certain key judgements around determination of transaction price in accordance with the requirements of Ind AS 115, "Revenue from Contracts with Customers" on account of consideration payable to customers in the form of various discount schemes, returns and rebates. The Company and its external stakeholders focus on revenue as a key performance indicator and this could create an incentive for revenue to be overstated or recognised before control has been transferred. Considering the aforesaid significance to our audit and the external stakeholders, revenue recognition has been considered as a key audit matter for the current year's audit.	• Performed analytical review procedures on revenue recognised during the year to identify any unusual and/or material variances. • Performed confirmation and alternative procedures on selected invoices outstanding as at the year end. • Tested a select sample of revenue transactions recorded before the financial year end date to determine whether the revenue has been recognised in the appropriate financial period. • Tested a sample of manual journal entries posted to revenue ledgers to identify any unusual items. • Evaluated the appropriateness and adequacy of disclosures in the standalone financial statements in respect of revenue recognition in accordance with the applicable requirements.
Key audit matter	**How our audit addressed the key audit matter**
Related Party Transactions (refer note 43 to the standalone financial statements) The Company has entered into several transactions with related parties during the year ended 31 March 2022 and also has outstanding balances as at the year end. We identified related party transactions as a key audit matter due to the risk with respect to completeness of disclosures made in the standalone financial statements due to a volume of such transactions, recoverability of balances outstanding, compliance with statutory regulations governing related party transactions such as the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ('the SEBI listing regulations'), and the judgements involved in assessing whether transactions with related parties are undertaken at an arms' length.	**Our key audit procedures around related party transactions included, but were not limited to, the following:** • Evaluated the design and tested the operating effectiveness of the relevant key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standards. • Assessed the compliance with the SEBI listing regulations and the regulations under the Companies Act, 2013, including authorization and approvals as specified in Sections 177 and 188 of the Companies Act, 2013 with respect to the related party transactions, as applicable. In cases where the matter was subject to interpretation, we assessed reasonableness of management's judgement by considering the advice obtained by management from legal practitioners. • On a sample basis, inspected relevant ledgers, agreements and other information that may indicate the existence of related party relationships or transactions. We also assessed the completeness of related parties with reference to the various statutory registers and declarations maintained by the Company's management. • Verified the management's assessment of recoverability of dues from related parties by reference to underlying supporting documents such as valuation of underlying assets of such entities and settlement of such transactions subsequent to the balance sheet date. • On a sample basis, tested the Company's assessment of related party transactions for arms' length pricing. • Considered the adequacy and appropriateness of the disclosures made in the standalone financial statements of related party relationships and transactions in accordance with the requirements of applicable accounting standard.

Key audit matter	How our audit addressed the key audit matter
Litigations, provisions and contingencies (refer note 25 and 35 to the standalone financial statements) The Company is involved in various direct tax, indirect tax and other litigations ('litigations') that are pending with different statutory authorities. Provisions are recognized when the Company has a present obligation (legal/ constructive) as a result of a past event for which it is probable that a cash outflow will be required and a reliable estimate can be made of the amount of the obligation. A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made. The aforesaid assessment requires the Management to make judgements and estimates in relation to the matters and exposures arising from a range of matters relating to direct tax, indirect tax, claims, general legal proceedings and other claims against the Company arising in the regular course of business. The level of management judgement associated with determining the need for, and the quantum of, provisions for any liabilities and disclosures of any contingent liabilities arising from these litigations is considered to be high. This judgement is dependent on a number of significant assumptions and assessments which involves interpreting the various applicable rules, regulations, practices and considering precedents in the various jurisdictions, for which the management uses various subject matter experts. In view of the uncertainty relating to the outcome of these litigations, the significance of the amounts involved, and the subjectivity involved in management's judgement, this matter has been considered as a key audit matter for the current year audit.	**Our key audit procedures around litigations, provisions and contingencies included, but were not limited to, the following:** • Assessed the appropriateness of the Company's accounting policies relating to provisions and contingent liability by comparing with the applicable accounting standards. • Evaluated the design and tested the operating effectiveness of the relevant key controls around the recording and assessment of litigations, provisions and contingent liabilities. • Engaged subject matter specialists to gain an understanding of the current status of litigations and monitored changes in the disputes, if any, through discussions with the management and by reading external advice received by the Company from legal counsel, where relevant, to validate management's conclusions. • Obtained and assessed the Company's assumptions and estimates in respect of litigations, including the liabilities or provisions recognized or contingent liabilities disclosed in the standalone financial statements. This involved comparing the same to the assessment of our subject matter specialists and assessing the probability of an unfavorable outcome of a given proceeding and the reliability of estimates of related amounts. • On a test basis, performed substantive procedures on the underlying calculations supporting the provisions recorded. • Assessed the appropriateness and adequacy of the disclosures made in relation to related provisions and contingencies in the standalone financial statements.

Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Board's report but does not include the standalone financial statements and our auditor's report thereon, which we obtained prior to the date of this auditor's report, and the Annual report, which is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with Standards on Auditing, specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit.

    We also:

    - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls;
    - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
    - Conclude on the appropriateness of management's use of the going concern basis

of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the standalone financial statements of the Company to express an opinion on the standalone financial statements.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by Section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

16. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

17. Further to our comments in Annexure I, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

    c) The standalone financial statements dealt with by this report are in agreement with the books of account;

    d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;

    e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act;

    f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2022 and the operating effectiveness of such controls, refer to our separate Report in Annexure II wherein we have expressed an unmodified opinion; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. As detailed in note 25 and 35 to the standalone financial statements, the Company has disclosed the impact of pending litigations on its financial position as at 31 March 2022;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2022;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2022;

iv. a) The Management has represented that, to the best of it's knowledge and belief, as disclosed in the note 50 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the "Ultimate Beneficiaries".

b) The Management has represented, that, to the best of it's knowledge and belief, as disclosed in the note 50 to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement;

v. The interim dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

As stated in note 19 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

ANNEXURE I REFERRED TO IN PARAGRAPH 16 OF THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF BRITANNIA INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment including right of use assets and investment property.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a regular program of physical verification of its property, plant and equipment including right of use assets and investment property under which the assets are physically verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment including right of use assets and investment property were verified during the year and no material discrepancies were noticed on such verification.

(c) The title deeds of all the immovable properties (including investment properties) held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company. For properties where the Company is a lessee and the lease agreements are duly executed in favour of the lessee, the Company has entered into sub-leasing arrangements in a certain case.

(d) The Company has not revalued its Property, Plant and Equipment including Right of Use assets and intangible assets during the year.

(e) As per explanation and representations provided to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under Clause 3(i)(e) of the Order is not applicable to the Company.

(ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.

(b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets during any point of time of the year. Accordingly, reporting under Clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) The Company has provided loans and guarantees to four companies. The details of the same are given below:

(in ₹ crores)

Particulars	Guarantees	Loans
Aggregate amount during the year		
- Subsidiaries	64.34	-
- Associates	-	-
- Others	-	740
Balance outstanding as at balance sheet date		
- Subsidiaries	63.67	-
- Associates	-	-
- Others	-	798

(b) The investments made, guarantees provided and terms and conditions of the grant of all loans and guarantees provided are not, prima facie, prejudicial to the Company's interest.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and interest are regular.

(d) There is no overdue amount in respect of loans granted to such companies or other parties.

(e) The Company had granted loans which have fallen due during the year and were repaid on or before the due date. Further, no fresh loans were granted to any party to settle the overdue loans.

(f) The Company has not granted any loan, which is repayable on demand or without specifying any terms or period of repayment.

(iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security, as applicable.

(v) The Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products. Accordingly, reporting under Clause 3(vi) of the Order is not applicable.

(vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross Amount	Amount paid	Period to which the amount relates	Forum where dispute is pending
Income Tax Act 1961	Income Tax	19.14	-	1992-2014	High Court of various states
Income Tax Act 1961	Income Tax	14.32	-	1991-2017	Income tax appellate tribunal
Income Tax Act 1961	Income Tax	129.55	-	2011-2019	Appellate authority upto Commissioner Level
The Central Sales Tax Act, 1956 / Value added tax acts of various states	Sales tax / Value added tax	0.93	-	1998-2001	Supreme Court of India
The Central Sales Tax Act, 1956 / Value added tax acts of various states	Sales tax / Value added tax	46.44	1.77	2000-2017	High Courts of various states
The Central Sales Tax Act, 1956 / Value added tax acts of various states	Sales tax / Value added tax	4.53	1.53	1996-2014	Tribunal of various states
The Central Sales Tax Act, 1956 / Value added tax acts of various states	Sales tax / Value added tax	83.94	9.15	1999-2018	Appellate Authority up to Commissioner's level
Central Excise Act, 1944	Excise duty	2.68	-	1980-1989	High Courts of various states

Name of the statute	Nature of dues	Gross Amount	Amount paid	Period to which the amount relates	Forum where dispute is pending
The Customs Act, 1962	Custom duty	0.54	0.01	2004-2005	Appellate Authority up to Commissioner's level
The Finance Act, 1994	Service Tax	1.91	-	2006-2015	Appellate Authority up to Commissioner's level
Central Goods and Services tax act, 2017	Goods and Services Tax	0.05	-	2017-2018	Appellate Authority up to Commissioner's level
Central Goods and Services tax act, 2017	Goods and Services Tax	6.40	-	2019-2022	Supreme Court of India

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.

(ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us, and on an overall examination of the standalone financial statements of the Company, funds raised by the Company on short term basis have not been utilised for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates.

(f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or associate companies.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully, partially or optionally convertible debentures during the year. Accordingly, reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the period covered by our audit.

(b) No report under Section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under Section 133 of the Act.

(xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as required under Section 138 of the Act which is commensurate with the size and nature of its business.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with them and accordingly, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under Clause 3(xvi) of the Order is not applicable to the Company.

(b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year without a valid Certificate of Registration (CoR) from the RBI as per the Reserve Bank of India Act, 1934.

(c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

(xvii) The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under Clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and management, we are of the opinion that no material uncertainty exists as on the date of the audit report that Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us, the Company does not have any unspent amount in respect of any ongoing or other than ongoing project as at the expiry of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF BRITANNIA INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Britannia Industries Limited ('the Company') as at and for the year ended 31 March 2022, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and

expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2022, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS

1 Reporting entity

Britannia Industries Limited (the 'Company') is a company domiciled in India, with its registered office situated at 5/1A, Hungerford Street, Kolkata, West Bengal - 700017. The Company has been incorporated under the provisions of Indian Companies Act and its equity shares are listed on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE) in India. The Company is primarily involved in manufacturing and sale of various food products.

2 Basis of preparation

A. Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules 2015, as amended, notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors on 2 May 2022.

Details of the Company's accounting policies are included in Note 3.

B. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated.

C. Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Share-based payments	Fair value
Net defined benefit asset/(liability)	Fair value of plan assets less present value of defined benefit obligations

D. Use of estimates and judgements

In preparing these standalone financial statements, the Company has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

- Note 36 - leases: whether an arrangement contains a lease and lease classification

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2022 is included in the following notes:

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

- Note 44 - measurement of defined benefit obligations: key actuarial assumptions;

- Note 40 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

- Note 4 - useful life of property, plant and equipment

- Notes 7 to 9 and Notes 12,13,15 and 16 - impairment of financial assets.

E. Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in the measuring fair values is included in the following notes:

- Note 5 - investment property

- Note 18 (e) - Share based payments / Phantom Option Scheme

- Note 50 - financial instruments.

3. Significant accounting policies

(a) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment, are measured at cost (which includes capitalised borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment includes its purchase price, duties, taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight line method over the useful lives of assets as per schedule II of the Companies Act, 2013 and is recognised in the Statement of Profit and Loss. Assets acquired under lease are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Depreciation for assets purchased / sold during the period is proportionately charged.

The range of estimated useful lives of items of property, plant and equipment are as follows:

Asset	Useful life
Plant and equipment	7.5 - 15 years
Furniture and fixtures	10 years
Motor vehicles	8 years
Office equipment	3 - 5 years
Buildings	30 - 60 years

Freehold land is not depreciated.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

iv. Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of classification.

v. Capital work-in-progress (CWIP)

Capital work-in-progress includes cost of property, plant and equipment/ intangible assets under installation / under development as at the balance sheet date.

(b) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

The Company depreciates investment properties on a straight-line basis over the useful life of the asset as specified in the table above.

Any gain or loss on disposal of an investment property is recognised in the Statement of Profit and Loss.

The fair values of investment property is disclosed in the notes accompanying these financial statements. Fair values are determined by an independent valuer who holds recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

(c) Intangible assets

Internally generated: Research and development

Expenditure on research activities is recognised in the Statement of Profit and Loss as incurred.

Development expenditure is capitalised as part of the cost of the resulting intangible asset only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete the development and to use or sell the asset. Otherwise, it is recognised in the Statement of Profit and Loss as incurred. Subsequent to initial recognition, the asset is measured at cost less accumulated amortisation and accumulated impairment losses, if any.

Others

Other intangible assets including those acquired by the Company in a business combination are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and accumulated impairment losses, if any.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Asset	Useful life
Computer software	6 years

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

(d) Impairment

(i) Financial assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through Statement of Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in the Statement of Profit and Loss.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(ii) Non -financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generated units to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

(e) Leases

The Company at the inception of a contract, assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee recognises a Right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company does not recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

liability is reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included under property, plant and equipment and lease liabilities have been included under financial liabilities.

As a lessor

Lease income from operating leases, where the Company is a lessor, is recognised on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

(f) Inventories

Inventories are valued at the lower of cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. The comparison of cost and net realisable value is made on an item-by-item basis. The net realisable value of materials in process is determined with reference to the selling prices of related finished goods. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

The provision for inventory obsolescence is assessed regularly based on estimated usage and shelf life of products.

Raw materials, packing materials and stores and spares are valued at cost computed on moving weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Work-in-progress is valued at input material cost plus conversion cost as applicable.

Finished goods and stock-in-trade are valued at the lower of net realisable value and cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a moving weighted average basis.

(g) Financial instruments

i. Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

ii. Classification and subsequent measurement

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Investment in subsidiaries, joint venture and associates

Investment in equity shares in subsidiaries, joint venture and associates is carried at cost in the financial statements.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the Statement of Profit and Loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(h) Revenue recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

(i) Sale of goods:

Revenue is recognised when a customer obtains control of the goods which is ordinarily upon delivery at the customer premises. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax, etc. For certain contracts that permit the customer to return an item, revenue is recognised to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognised will not occur. As a consequence, for those contracts for which the Company is unable to make a reasonable estimate of return, revenue is recognised when the return period lapses or a reasonable estimate can be made. A refund liability and an asset for recovery is recognised for these contracts and presented separately in the balance sheet.

(ii) Deferred revenue:

The Company has a customer loyalty programme for selected customers. The Company grants credit points to those customers as part of a sales transaction which allows them to accumulate and redeem those credit points. The consideration is allocated between the loyalty programme and the goods based on their relative stand-alone selling prices. The credit points have been deferred and will be recognised as revenue when the reward points are redeemed or lapsed.

(iii) Income from royalties are recognised based on contractual agreements.

(iv) Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(v) For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the Statement of Profit and Loss.

(i) Business combination

Business combinations arising from transfers of interest in entities that are under the control of the shareholder who control the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved and they appear in the financial statements of the Company in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the value of net assets and the consequent reduction in value of investment held by the Company is transferred to the capital reserve or to the accumulated balance of profit and loss.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(j) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(k) Government grants/Incentives

Government grants/incentives are recognised where there is reasonable assurance that the grant/incentives will be received and all attached conditions will be complied with. When the grant/incentives relates to revenue, it is recognised in the Statement of Profit and Loss on a systematic basis over the periods to which they relate. When the grant/incentives relates to an asset, it is treated as deferred income and recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.

(l) Income tax

Income tax comprises current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.

- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

(m) Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the Statement of Profit and Loss.

(n) Provisions and contingent liabilities

i. General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(o) Employee benefits

i. Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

ii. Post-employment benefits

Contributions to defined contribution schemes such as Provident Fund, Pension Fund, etc., are recognised as expenses in the period in which the employee renders the related service. In respect of certain employees, Provident Fund contributions are made to a Trust administered by the Company. The interest rate payable to the members of the Trust shall not be lower than the statutory rate of interest declared by the Central Government under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, after considering the accumulated reserves with the Trust, shall be made good by the Company. To this extent, the Provident Fund scheme could be considered as a defined benefit plan. In respect of contributions made to government administered Provident Fund, the Company has no further obligations beyond its monthly contributions. The Company also provides for post-employment defined benefit in the form of gratuity and medical benefits. The cost of providing benefit is determined using the projected unit credit method, with actuarial valuation being carried out at each balance sheet date. Remeasurement of the net benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interests) and the effect of the assets ceiling (if any, excluding interest) are recognised in other comprehensive income. The effect of any plan amendments are recognised in net profit in the Statement of Profit and Loss.

The Britannia Industries Limited Covenanted Staff Pension Fund Trust ('BILCSPF') and Britannia Industries Limited Officers' Pension Fund Trust ('BILOPF') were established by the Company to administer pension schemes for its employees. These trusts are managed by the Trustees. The Pension Scheme is applicable to all the managers and officers of the Company who have been employed up to the date of 15 September 2005 and any manager or officer employed after that date, if he has opted for the membership of the Scheme. The Company makes a contribution of 15% of basic salary in respect of the members, each month to the trusts. On retirement, subject to the vesting conditions as per the rules of the trust, the member becomes eligible for pension, which is paid from annuity purchased in the name of the member by the trusts.

iii. Other long-term employee benefits

All employee benefits (other than post-employment benefits and termination benefits) which do not fall due wholly within twelve months after the end of the period in which the employees render the related services are determined based on actuarial valuation or discounted present value method carried out at each balance sheet date. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary as at 1 January every year using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

iv. Voluntary retirement scheme benefits

Voluntary retirement scheme benefits are recognised as an expense in the year they are incurred.

(p) Share based payment/Cash-settled share-based payments

The cost of equity-settled transactions is determined by the fair value on the date when the grant is made using an appropriate valuation model. That cost is recognised in employee benefits expense, together with a corresponding increase in share-based payment (share options outstanding account) reserves in equity, over the period in which the performance and/or service conditions are fulfilled. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

For cash-settled share-based payments, the fair value of the amount payable to employees is recognised as employee benefits expense with a corresponding increase in liabilities, over the vesting period. The liability is remeasured at each reporting period up to, and including the settlement date, with changes in fair value recognised in employee benefits expense.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(q) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, cheques on hand and demand deposits with banks with original maturities of three months or less.

(r) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented in case of share splits.

(s) Cash flow statement

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

(t) Recent accounting pronouncements

Standards issued but not effective on Balance Sheet date:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below;

Ind AS 109 - Financial Instruments

The amendment clarifies that the terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received and discounted using the original effective interest rate, is at least 10 per cent different from the discounted present value of the remaining cash flows of the original financial liability. In determining those fees paid net of fees received, a borrower includes only fees paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf.

If an exchange of debt instruments or modification of terms is accounted for as an extinguishment, any costs or fees incurred are recognised as part of the gain or loss on the extinguishment. If the exchange or modification is not accounted for as an extinguishment, any costs or fees incurred adjust the carrying amount of the liability and are amortised over the remaining term of the modified liability.

Ind AS 16 – Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Note 4 - Property, plant and equipment and capital work-in-progress

* Of the total fully paid up equity shares: 121,732,190 equity shares of ₹ 1/- each (31 March 2021: 121,732,190 equity shares of ₹ 1/- each) are held by the subsidiaries of The Bombay Burmah Trading Corporation Limited, the ultimate holding company [Refer note (a) below]		

Rights, preferences and restrictions attached to the equity shares:

- The Company has only one class of shares referred to as equity shares having a par value of ₹ 1/- per share. Each holder of equity shares is entitled to one vote per share.
- The Company declares and pays dividends in Indian rupees. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.
- In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Details of shareholders holding more than 5% of total number of equity shares, including amount [Refer note (b) below].

Reconciliation of the number of shares outstanding at the beginning and at the end of the reporting year [Refer note (c) below].

The number of options that can be granted under the Britannia Employee Stock Option Scheme, was increased from 875,000 to 1,775,000 before sub-division and to 3,550,000 after sub-division in the year 2019. Out of this, 2,550,000 options (of ₹ 1 each) have been granted and 1,966,666 options (of ₹ 1 each) were exercised till 31 March 2021. 83,334 shares of ₹ 1 each were allotted on 12 June 2020 at an exercise price of ₹ 1,766.65/-, 90,000 shares of ₹ 1 each were allotted on 7 July 2020 at an exercise price of ₹ 2,732.05/-, 84,000 shares of ₹ 1 each were allotted on 28 July 2020 at an exercise price of ₹ 2,732.05/-, 26,000 shares of ₹ 1 each were allotted on 2 November 2020 at an exercise price of ₹ 2,732.05/- and 116,666 shares of ₹ 1 each were allotted on 2 November 2020 at an exercise price of ₹ 2,896.05/- respectively.

During the current year, the Board of Directors and the Shareholders at their meeting held on 30 July 2021 and 6 September 2021 respectively, approved the termination of Britannia Industries Limited Employee Stock Option Scheme (ESOS Scheme) and replaced it with Britannia Industries Limited Phantom Option Scheme 2021 (BIL POS 2021) - a cash settled share based payments scheme. Consequently, 5,83,334 Stock Options granted under ESOS Scheme that were either Vested but not exercised or were Unvested have been replaced with Phantom Options on similar terms and conditions.

(e) Share based payments / Phantom Option Scheme

During the financial year 2008-09, the Company introduced Britannia Industries Limited Employee Stock Option Scheme ('the Scheme'). As per the Scheme, the Remuneration / Compensation Committee grants options to the employees and Executive Directors of the Company. The vesting period of the option is one to three years from the date of grant. Options granted under the Scheme can be exercised within a period of three years from the date of vesting.

Under the old ESOS Scheme, the Company granted 15,000 options on 29 October 2008 at an exercise price of ₹ 1,125.30/-; 15,000 options on 27 May 2009 at an exercise price of ₹ 1,698.15/-; 20,000 options on 27 May 2010 at an exercise price of ₹ 1,668.55/-; 125,000 options on 27 May 2011 at an exercise price of ₹ 391.75/-; 100,000 options on 28 May 2012 at an exercise price of ₹ 528.75/-; 50,000 options on 26 May 2014 at an exercise price of ₹ 870.35/-, 75,000 options on 21 May 2015 at an exercise price of ₹ 2,332.05/-, 100,000 options on 30 June 2016 at an exercise price of ₹ 2,771.40/-, 125,000 options on 25 May 2017 at an exercise price of ₹ 3,533.30/-, 150,000 options on 15 May 2018 at an exercise price of ₹ 5,464.10/-, 350,000 options on 1 May 2019 at an exercise price of ₹ 2,896.05/- and 250,000 options on 2 June 2020 at an exercise price of ₹ 3,434.85/- to the Managing Director of the Company. Each option represents one equity share of ₹ 10/- each (for options granted between the years 2008 to 2010) and one equity share of ₹ 2/- each (for options granted between the years 2011 to 2018) and one equity share of ₹ 1/- each (for options granted after the year 2018). The said price was determined in accordance with the pricing formula approved by the shareholders i.e. the latest available closing price, prior to the date of the meeting of the Board of Directors or Remuneration / Compensation Committee in which options were granted, on the stock exchange having higher trading volume. Exercise prices as stated above were adjusted downwards by ₹ 170/- per share for options granted on 29 October 2008 and 27 May 2009, being the face value of bonus debentures issued pursuant to the Scheme of Arrangement approved by the Honourable Calcutta High Court on 11 February 2010. The number of options have been appropriately adjusted, consequent upon the sub-division of the equity shares.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

Options exercisable at the end of the year (of ₹ 1 each)	-	-
Weighted average price per option outstanding at the end of the year (of ₹ 1 each)	-	3,098.85

During the current year, the Board of Directors and the Shareholders at their meeting held on 30 July 2021 and 6 September 2021 respectively, approved the termination of Britannia Industries Limited Employee Stock Option Scheme (ESOS Scheme) and replaced it with Britannia Industries Limited Phantom Option Scheme 2021 (BIL POS 2021) - a cash settled share based payments scheme. Consequently, 5,83,334 Stock Options granted under ESOS Scheme that were either Vested but not exercised or were Unvested have been replaced with Phantom Options on similar terms and conditions.

(f) In the Annual General Meeting held on 9 August 2010, the shareholders of the Company approved the sub-division of equity shares, where in each equity share with a face value of ₹ 10 was subdivided into 5 equity shares with a face value of ₹ 2 each. The effective date for the sub-division was 10 September 2010. Further, the Board of Directors at their meeting held on 23 August 2018 approved the sub-division of each equity share of face value of ₹ 2 fully paid up into 2 equity shares of face value of ₹ 1 each fully paid. The same was approved by the members on 15 October 2018 through postal ballot and e-voting. The effective date for the sub-division was 30 November 2018.

₹ in Crores

Nature and purpose of other reserves

Share options outstanding account

The share options outstanding account is used to recognise the grant date fair value of options issued under Britannia Industries Limited Employee Stock Option Scheme.

Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

Capital redemption reserve

The Company had purchased its own shares and as per the provisions of the applicable laws, a sum equal to the nominal value of the shares so purchased was required to be transferred to the capital redemption reserve.

Capital reserve

Capital reserve represents subsidy received for industrial undertaking under Central Capital Investment Subsidy Scheme, 2003.

Debenture redemption reserve

The Company has issued bonus debentures and as per the provisions of the applicable laws, a sum equal to 25% of the issue size of bonus debentures was required to be transferred to debenture redemption reserve.

General reserve

General reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

Retained earnings

Retained earnings are the accumulated profits earned by the Company till date, less transfer to general reserve, if any, dividend and other distributions made to the shareholders.

Dividends

The following dividends were declared and paid by the Company during the year:

As at	31 March 2022	31 March 2021
₹ 74.50 per equity share of face value of ₹ 1 each (31 March 2021: ₹ 118 per equity share of face value of ₹ 1 each) to equity shareholders	1,794.47	2,839.66

After the reporting dates, final dividend of ₹ 56.50 per equity share of face value of ₹ 1 each was proposed by the directors subject to approval at the annual general meeting. The proposed dividend has not been recognised as liability.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

₹ in Crores

Note 35 Contingent liabilities and commitments (to the extent not provided for) :

(i) Contingent liabilities:

(a) Claims / demands against the Company not acknowledged as debts including excise duty, income tax, sales tax and trade and other demands of ₹ 55.76 (31 March 2021: ₹ 56.87)

(b) Bank guarantees and letters of credit for ₹ 62.13 (31 March 2021 : ₹ 84.62)

Notes:

(i) Contingent liabilities disclosed above represent possible obligations where possibility of cash outflow to settle the obligations is not remote.

(ii) The above does not include non-quantifiable industrial disputes and other legal disputes pending before various judicial authorities [Also Refer note 40 and 46].

(iii) The Supreme court of India in the month of February 2019 had passed a judgement relating to definition of wages under the Provident Fund Act, 1952. Considering that there are numerous interpretative issues relating to this judgement and in the absence of reliable measurement of the provision for the earlier periods, the Company had made a suitable provision for provident fund contribution during the Financial Year 2018-19. The Company will evaluate its position and update its provision, if required, on receiving further clarity on the subject. The Company does not expect any material impact of the same.

(ii) Commitments:

(a) Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ 471.52 (31 March 2021: ₹ 405.56).

(iii) The Company has furnished the following corporate guarantees:

	Banking facilities given to	Name of the bank	31 March 2022	31 March 2021
(i)	Britannia and Associates (Mauritius) Private Limited, Mauritius* [Refer note 39]	Cooperatieve Rabobank U.A	-	87.73
		Citi Bank - Hong Kong	63.67	-

* This is against working capital loan extended to step down subsidiaries in Middle East.

Regarding items (i) and (iii) above, it is not practicable to disclose information in respect of the estimate of the financial effect, an indication of the uncertainties relating to outflow and the possibility of any reimbursement as it is determinable only on occurrence of uncertain future events / receipt of judgements pending at various forums.

(iv) The Company has furnished the following letters of comfort / letters of awareness:

	Banking facilities given to	Name of the bank	31 March 2022	31 March 2021
(i)	Strategic Food International Co. LLC, Dubai	Standard Chartered Bank	10.32	9.95
(ii)	J B Mangharam Foods Private Limited	HSBC Bank	25.00	25.00
(iii)	Manna Foods Private Limited	ICICI Bank	3.50	3.50
	Manna Foods Private Limited	Standard Chartered Bank	60.00	60.00
(iv)	International Bakery Private Limited	Standard Chartered Bank	30.00	30.00

These letters are not to be construed as a guarantee issued by the Company.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

₹ in Crores

Note 36 **(a) Short term leases**

(i) The Company has certain operating leases for office facilities and residential premises. Such leases are generally with the option of renewal against increased rent and premature termination of agreement on mutual consent of both the parties. Rental expenses of ₹ 8.61 (31 March 2021: ₹ 8.60) in respect of obligation under operating leases have been recognised in the Statement of Profit and Loss.

(ii) The Company has certain cancellable arrangements with contract packers identified to be in the nature of lease and have been classified as operating lease arrangements. Rental expenses of ₹ 28.72 (31 March 2021: ₹ 26.81) in respect of obligation under operating leases have been recognised in the Statement of Profit and Loss.

(b) Lease liabilities

(i) The Company has taken motor vehicles on lease. The total minimum lease payments and present value of minimum lease payments are as follows:

	31 March 2022		31 March 2021	
	Minimum lease payments	Present value of minimum lease payments	Minimum lease payments	Present value of minimum lease payments
Not later than 1 year	0.59	0.57	0.86	0.77
Later than 1 year and not later than 5 years	0.04	0.03	0.62	0.60
	0.63	**0.60**	**1.48**	**1.37**

The difference between minimum lease payments and the present value of minimum lease payments of ₹ 0.03 (31 March 2021: ₹ 0.11) represents interest not due. The lease liability is secured by the relevant vehicles acquired under lease.

(ii) The Company has taken certain land on lease for factory purposes. Since these are entirely prepaid, the Company does not have any future lease liability towards the same.

Note 37 **(i) Details of non-current investments (other than mutual funds) purchased, redeemed and sold during the year:**

Note 42 Segmental information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes.

The operating segment of the Company is identified to be "Foods" as the CODM reviews business performance at an overall Company level as one segment.

The Company has presented segmental information in the consolidated financial statements which are presented in the same annual report. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in these standalone financial statements.

Note 45 Corporate Social Responsibility

During the year, the amount required to be spent on corporate social responsibility activities amounted to ₹ 38.58 (31 March 2021: ₹ 32.44) in accordance with Section 135 of the Act. The following amounts were actually spent during the current & previous year:

For the year ended	31 March 2022	31 March 2021
(i) Amount required to be spent by the company during the year	38.58	32.44
(ii) Amount of expenditure incurred	38.58	32.44
(iii) Shortfall at the end of the year	-	-
(iv) Nature of CSR activities :	Promoting Healthcare Growth, Development of Children, preventive health care for women and community development	Promoting Healthcare Growth and Development of Children

Note 46

During the year ended 31 March 2016, based on queries received from Securities Exchange Board of India ('SEBI'), the Company conducted a preliminary internal investigation and discovered certain irregularities by M/s Sharepro Services (India) Private Limited ('Sharepro'), the Company's erstwhile Registrar and Share Transfer Agent. Subsequently, the Company filed a criminal complaint against Sharepro and its employees. Pursuant to the directions issued by SEBI in its interim order dated 22 March 2016, the Company appointed an independent external agency to conduct an audit of the records and systems of Sharepro with respect to past transactions. The report of the external agency was submitted with SEBI by the Company vide its letter dated 12 July 2016. In 2019-20, following the receipt of a Show Cause Notice dated 8 November 2019 from SEBI in a related matter, the Company filed a Settlement Application and SEBI passed the settlement order on 17 September, 2020.The Company continues to evaluate additional steps, if any, based on the directions of SEBI or any other regulatory authorities.

Based on consultations with its legal counsel, the Company has been advised that the liability will not devolve on the Company and thus no provision is considered necessary.

Other financial assets	9 & 16	-	-	402.11	-	402.11				
Trade receivables	13	-	-	198.36	-	198.36				
Cash and cash equivalents	14	-	-	77.58	-	77.58				
Bank balances	14	-	-	33.22	-	33.22				
		-	-	2,753.74	-	2,753.74				
Financial liabilities not measured at fair value										
Borrowings and lease liabilities	20 (a), (b)	-	-	-	1,798.02	1,798.02				
Trade payables	22	-	-	-	1,189.53	1,189.53				
Other financial liabilities	21 & 23	-	-	-	545.39	545.39				
		-	-	-	3,532.94	3,532.94				

The fair value of cash and cash equivalents, bank balances, trade receivables, loans receivable, investments in tax-free bonds, investments in debentures/bonds, investments in preference shares, investments in government securities, borrowings, trade payables and other financial assets and liabilities approximate their carrying amount largely due to the nature of these instruments. The Company's loans have been contracted at market rates of interest. Accordingly, the carrying value of such loans approximate fair value.

Investments in mutual funds, which are classified as FVTPL are measured using net assets value at the reporting date multiplied by the quantity held.

No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries). The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

₹ in Crores

Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Board. The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans given. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to customers, including outstanding accounts receivables. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. Based on our assessment and current estimates the carrying value and the provisions made as at 31 March 2022 is considered adequate.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company limits its exposure to credit risk from trade receivables by establishing a appropriate credit period for customer. In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are wholesale, retail or institutional customers, their geographic location, industry, trading history with the Company and existence of previous financial difficulties. The default in collection as a percentage to total receivable is low.

The Company's exposure to credit risk for trade receivables by geographic region is as follows:

	Gross carrying amount	
	31 March 2022	31 March 2021
India	222.09	168.80
Others	34.58	31.92
	256.67	**200.72**

The Company's exposure to credit risk for trade receivables by type of counterparty is as follows:

	Gross carrying amount	
	31 March 2022	31 March 2021
Institutional	116.08	108.03
Authorised wholesaler	55.62	24.13
Exports	34.58	31.92
Others	50.39	36.64
	256.67	**200.72**

Net remeasurement of loss allowance	-	-

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, that it will always have sufficient liquidity to meet its liabilities when due. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The Company aims to maintain the level of its cash and cash equivalents and other highly marketable debt investments at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Company also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities. At 31 March 2022, the expected cash flows from trade receivables is ₹ 253.85 (31 March 2021: ₹ 198.36). This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

In addition, the Company maintains a line of credit of ₹ 878.00 (31 March 2021: ₹ 744.00) overdraft facility with various banks that is unsecured. Interest would be payable basis prevailing MCLR plus applicable margin (31 March 2021 : prevailing MCLR plus applicable margin)

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2022 and 31 March 2021:

	2,766.79	725.05	41.21

* Includes interest on lease liabilities of ₹ 0.11

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

₹ in Crores

Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates and interest rates - will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The Company is exposed to currency risk to the extent that there is mismatch between the currencies in which sales, purchase are denominated and the respective functional currencies of Company. The Company has export sales (2% of total sales) primarily denominated in US dollars and Euro. At any point in time, the Company hedges 95% to 100% of its estimated foreign currency exposure in respect of sales and purchases over the following 12 months. The Company uses forward exchange contracts to hedge its currency risk, most with a maturity of less than one year from the reporting date.

Exposure to currency risk

The summary quantitative data about the Company's gross exposure to currency risk is as follows:

	31 March 2022		31 March 2021	
	Euro	USD	Euro	USD
Export receivables	-	0.45	-	0.42
Overseas payables	(0.06)	(0.07)	(0.33)	-

The Company uses forward exchange contracts to hedge the currency exposure and is therefore not exposed to significant currency risk at the respective reporting dates.

Sensitivity analysis

The impact of strengthening/weakening of currency on the Company is not material as Company hedges 95% to 100% of the foreign currency exposure.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company's exposure to risk of changes in market interest rate is minimal.

Sensitivity analysis

The sensitivity analysis have been determined based on the exposure to interest rates for debt obligations with floating rates. The impact on the Company of movement in interest rate by 100 basis points higher or lower and considering all other variables constant, is not material.

Note 54 Share Appreciation Rights (SAR) - Phantom Option Scheme

The Phantom option scheme creates an opportunity to link the employee reward to Company's share price performance. Under this plan, Company grants stock appreciation rights to select employees. Cash pay-out equivalent to the appreciation in the value of shares will be made when exercised after vesting period.

The fair value of the Phantom Option scheme was determined using the Black-Scholes model based on the following inputs at the grant dates and as at each reporting date:

	31 March 2022	31 March 2021
Share price at measurement date	3,206.40	-
Expected volatility	24.72%	-
Expected dividends expressed as a dividend yield	1.81% - 2.14%	-
Risk free rate	4.17% - 5.12%	-

Liability as at the year-end classified as:

Particulars	31 March 2022	31 March 2021
Current	4.65	-
Non-current	5.12	-
Total	9.77	-
