INDEPENDENT AUDITOR'S REPORT

To the Members of Britannia Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Britannia Industries Limited ('the Company'), which comprise the Standalone Balance Sheet as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Loss), the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, its profit (including other comprehensive loss), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	How our audit addressed the Key Audit Matter
Revenue Recognition (refer notes 3(h) and 26 to the standalone financial statements) The revenue of the Company consists primarily of sale of food products that are sold through distributors, modern trade and direct sale channels amongst others. Revenue is recognized in accordance with the principles of Ind AS 115, "Revenue from Contracts with Customers" ('Ind AS 115'), at a point in time when the control of products is transferred to the customer and there is no unfulfilled obligation.	**Our key audit procedures around revenue recognition included, but were not limited to, the following:** • Assessed the appropriateness of the revenue recognition accounting policies of the Company including those relating to rebates and trade discounts, by evaluating compliance with the applicable accounting standards. • Evaluated the design and tested the operating effectiveness of the key controls with respect to revenue recognition including general and specific information technology controls.
Key Audit Matter	**How our audit addressed the Key Audit Matter**
Owing to the volume of sales transactions, size of the distribution network and varied terms of contracts with customers, revenue is determined to be an area involving significant risk in line with the requirements of the Standards on Auditing and hence, requiring significant auditor attention. The management is required to make certain key judgements around determination of transaction price in accordance with the requirements of Ind AS 115 on account of consideration payable to customers in the form of various discount schemes, returns and rebates. The Company and its external stakeholders focus on revenue as a key performance indicator and this could create an incentive for revenue to be overstated or recognised before control has been transferred. Considering the aforesaid significance to our audit and the external stakeholders, revenue recognition has been considered as a Key Audit Matter for the current year's audit.	• Performed substantive testing on selected samples of revenue transactions recorded during the year by testing the underlying documents including contracts, invoices, goods dispatch notes, shipping documents and customer receipts, wherever applicable. • Understood and evaluated the Company's process for recording of the accruals and credit notes for discounts and rebates and ongoing incentive schemes and on a test basis, verified the year end provisions made in respect of such schemes. • Performed analytical review procedures on revenue recognised during the year to identify any unusual and/or material variances. • Performed confirmation and alternative procedures on selected invoices outstanding as at the year end. • Tested selected sample of revenue transactions recorded before the financial year end date to determine whether the revenue has been recognised in the appropriate financial period. • Tested a sample of manual journal entries posted to revenue ledgers to identify any unusual items. • Evaluated the appropriateness and adequacy of disclosures in the standalone financial statements in respect of revenue recognition in accordance with the applicable requirements.
Litigations, provisions and contingencies (refer notes 25, 35 and 36 to the standalone financial statements) The Company is involved in various direct tax, indirect tax and other litigations ('litigations') that are pending with different statutory authorities. Provisions are recognized when the Company has a present obligation (legal/ constructive) as a result of a past event for which it is probable that a cash outflow will be required, and a reliable estimate can be made of the amount of the obligation. A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.	**Our key audit procedures around litigations, provisions and contingencies included, but were not limited to, the following:** • Assessed the appropriateness of the Company's accounting policies relating to provisions and contingent liabilities by comparing with the applicable accounting standards. • Evaluated the design and tested the operating effectiveness of the key controls around the recording and assessment of litigations, provisions and contingent liabilities. • Obtained an understanding of the current status of litigations and monitored changes in the disputes, if any, through discussions with the Management and by reading external advice received by the Company from its legal counsels and subject matter experts, where relevant, to validate Management's conclusions. Also, assessed the professional competence and objectivity of such Management experts;

Key Audit Matter	How our audit addressed the Key Audit Matter
The aforesaid assessment requires the Management to make judgements and estimates in relation to the matters and exposures arising from a range of matters relating to direct tax, indirect tax, claims, general legal proceedings and other claims against the Company arising in the regular course of business. The level of management judgement associated with determining the need for, and the quantum of, provisions for any liabilities and disclosures of any contingent liabilities arising from these litigations is considered to be high. This judgement is dependent on a number of significant assumptions and assessments which involves interpreting the various applicable rules, regulations, practices and considering precedents in the various jurisdictions, for which the Management uses various subject matter experts. In view of the uncertainty relating to the outcome of these litigations, the significance of the amounts involved, and the subjectivity involved in Management's judgement, this matter has been considered as a key audit matter for the current year's audit.	• Obtained and assessed the Company's assumptions and estimates in respect of litigations, including the liabilities or provisions recognised or contingent liabilities disclosed in the standalone financial statements. This involved comparing the same to the assessment of our subject matter experts and assessing the probability of an unfavourable outcome of a given proceeding and the reliability of estimates of related amounts. • On a test basis, performed substantive procedures on the underlying calculations supporting the provisions recorded. • Assessed the appropriateness and adequacy of the disclosures made in relation to related provisions and contingencies in the standalone financial statements in accordance with applicable accounting standards.

Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Board Report, but does not include the standalone financial statements and our auditor's report thereon, which we obtained prior to the date of this auditor's report, and the Annual report, which is expected to be made available to us after that date.

   Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

   If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

   When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive loss, changes in equity and cash flows of the Company in accordance with the Ind AS specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with Standards on Auditing, specified under Section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

    • Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

    • Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;

    • Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;

    • Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

    • Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by Section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

16. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

17. Further to our comments in Annexure I, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 17(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

c) The standalone financial statements dealt with by this report are in agreement with the books of account;

d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;

e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act;

f) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 17(b) above on reporting under Section 143(3)(b) of the Act and paragraph 17(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2026 and the operating effectiveness of such controls, refer to our separate report in Annexure II wherein we have expressed an unmodified opinion; and

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company, as detailed in notes 25, 35 and 36 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2026;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2026;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2026;

iv. a. The Management has represented that, to the best of its knowledge and belief, as disclosed in note 49 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

b. The Management has represented that, to the best of its knowledge and belief, as disclosed in note 49 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the Management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The final dividend paid by the Company during the year ended 31 March 2026 in respect of such dividend declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2025, has used an accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. The audit trail feature at the database level was enabled from 1 September 2025 for the accounting software to log any direct data changes, used for maintenance of all accounting records by the Company and was operational since then except for the period from 12 December 2025 to 19 February 2026 where it was disabled pursuant to server migration related activities. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention except for the period referred above at the database level and for the period 1 April 2023 to 8 July 2024 considering system memory issues at the application level.

ANNEXURE I REFERRED TO IN PARAGRAPH 16 OF THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF BRITANNIA INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, relevant details of right of use assets and investment property.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work-in-progress, relevant details of right of use assets and investment property under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment, right of use assets and investment property were verified during the year and no material discrepancies were noticed on such verification.

(c) The title deeds of all the immovable properties (including investment properties) held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in Note 4 to the standalone financial statements are held in the name of the Company. For properties where the Company is a lessee and the lease agreements are duly executed in favor of the lessee, the Company has entered into sub-leasing arrangements in certain cases.

(d) The Company has not revalued its Property, Plant and Equipment including Right of Use assets or intangible assets during the year.

(e) As per explanation and representations provided to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder. Accordingly, reporting under Clause 3(i)(e) of the Order is not applicable to the Company.

(ii) (a) The Management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. In our opinion, the coverage and procedure of such verification by the Management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records.

(b) The Company has not been sanctioned working capital limit in excess of ₹ 5 crore by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly reporting under Clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) The Company has provided loans during the year as per details given below:

Particulars	Loans (₹ in crores)
Aggregate amount provided/granted during the year:	
Subsidiaries	66
Joint venture company	-
Associate companies	-
Others	115
Balance outstanding as at balance sheet date in respect of above cases:	
Subsidiaries	76
Joint venture company	-
Associate companies	-
Others	90

(b) The Company has not provided any guarantee or given any security during the year. Further, in our opinion, and according to the information and explanations given to us, the investments made and terms and conditions of the grant of all loans are, prima facie, not prejudicial to the interest of the Company.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and interest are regular.

(d) There is no overdue amount in respect of loans granted to such companies, firms, LLPs or other parties.

(e) The Company has granted loans which had fallen due during the year and were repaid on or before the due date. Further, no fresh loans were granted to any party to settle the overdue loans.

(f) The Company has not granted any loan which is repayable on demand or without specifying any terms or period of repayment.

(iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans given and investments made and guarantees, and security provided by it, as applicable.

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government of India has specified maintenance of cost records under sub-section (1) of Section 148 of the Act only in respect of specific products of the Company. For such products, we have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for maintenance of cost records under the aforesaid section, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross Amount (₹ Crore)	Amount paid under protest (₹ Crore)	Period to which the amount relates	Forum where dispute is pending
Income-tax Act, 1961	Income Tax	9.32	-	2016, 2021	Income Tax Appellate Tribunal
Income-tax Act, 1961	Income Tax	27.85	-	2011-2020	Appellate authority up to Commissioner Level
The Central Sales Tax Act, 1956 / Value added tax acts of various states	Sales tax / Value added tax	1.01	0.42	2006-2010	The Supreme Court
		14.91	2.97	2000-2015	High Court of various states
		12.52	3.28	1999-2017	Various Tribunals
		8.49	1.25	2003-2017	Appellate Authority up to Commissioner's level
The Customs Act,1962	Custom duty	0.62	0.01	2005-2006	Customs, Excise and Service Tax Appellate Tribunal
The Finance Act,1994	Service Tax	1.91	-	2006-2007	Appellate Authority up to Commissioner's level

Name of the statute	Nature of dues	Gross Amount (₹ Crore)	Amount paid under protest (₹ Crore)	Period to which the amount relates	Forum where dispute is pending
Integrated Goods and Service tax Act, 2017 Central Goods and Service Tax Act, 2017 State Goods and Service Tax Act, 2017 of various states	Goods and Service Tax	306.76	2.75	2018-2024	High Court of various states
		7.13	2.59	2017-2024	Goods and Services Tax Appellate Tribunal
		27.08	1.08	2017-2023	Appellate Authority up to Commissioner's level

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961) which have not been previously recorded in the books of accounts.

(ix) (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.

(b) According to the information and explanations given to us including representation received from the Management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us, and on an overall examination of the standalone financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate companies or a joint venture company.

(f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associate companies or joint venture company.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit.

(b) According to the information and explanations given to us including the representation made to us by the Management of the Company, report under sub-section 12 of Section 143 of the Act has been filed by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government, for the period covered by our audit. However, this has not been considered for our reporting in clause (a) above on the basis of materiality.

(c) According to the information and explanations given to us, the Company has received whistle blower complaints during the year, as shared with us by the Management of the Company, which have been considered by us while determining the nature, timing and extent of the audit procedures.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties comply with Sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under Section 133 of the Act.

(xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system as per the provisions of Section 138 of the Act which is commensurate with the size and nature of its business.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of Section 192 of the Act are not applicable to the Company.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.

(d) Based on the information and explanations given to us and as represented by the Management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.

(xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the plans of the Board of Directors and Management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, the Company has not transferred unspent amounts towards Corporate Social Responsibility in respect of other than ongoing projects to a Fund specified in Schedule VII to the Act as required under second proviso to sub-section (5) of section 135 of the said Act as at balance sheet date. However, the time period of six months from the end of financial year as permitted under second proviso to sub-section (5) of section 135 of the Act, has not lapsed untill the date of our report.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF BRITANNIA INDUSTRIES LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2026

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Britannia Industries Limited ('the Company') as at and for the year ended 31 March 2026, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that:

   (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

   (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and

   (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO STANDALONE FINANCIAL STATEMENTS

1 Corporate Information

Britannia Industries Limited (the 'Company') is a company domiciled in India, with its registered office situated at 5/1A, Hungerford Street, Kolkata, West Bengal - 700017. The Company has been incorporated under the provisions of Indian Companies Act and its equity shares are listed on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE) in India. The Company is primarily involved in manufacturing and sale of various food products.

2 Basis of preparation

A. Statement of compliance

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules 2015, as amended, notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The standalone financial statements were authorised for issue by the Company's Board of Directors on 7 May 2026.

Details of the Company's accounting policies are included in note 3.

B. Current and Non-current Classification

The Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities. This is based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents.

C. Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been rounded-off to two decimal places to the nearest crores, unless otherwise indicated.

D. Basis of measurement

The standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Cash-settled Phantom Option Scheme	Fair value
Net defined benefit (liability) / asset	Fair value of plan assets less present value of defined benefit obligations

E. Use of estimates and judgements

In preparing these standalone financial statements, the Company has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the standalone financial statements is included in the following notes:

- Note 3(e) and 37 - leases: whether an arrangement contains a lease and lease classification

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended 31 March 2026 is included in the following notes:

- Notes 3(a) (iii), 4 to 6 - useful lives of property, plant and equipment, investment property and intangible assets
- Notes 3(d) and (g), 7 to 9 and notes 12,13,15 and 16 - impairment of financial assets
- Note 3(l) and 35 - Deferred tax and Current tax estimation
- Note 3(n), 36 and 40 - recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources
- Note 3(o) and 44 - measurement of defined benefit obligations: key actuarial assumptions

F. Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The significant unobservable inputs and valuation adjustments are reviewed regularly.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in the measuring fair values is included in the following notes:

- Note 5 - investment property
- Note 49 - financial instruments
- Note 53 - Cash-settled Phantom Option Scheme

3. Material accounting policy information

(a) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment, are measured at cost (which includes capitalised borrowing costs, if any) less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment includes its purchase price, duties and taxes levied to the extent they are not eligible to be availed as input tax credit, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost can be reliably measured.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight line method over the useful lives of assets as per schedule II to the Companies Act, 2013 and is recognised in the Statement of Profit and Loss. Assets acquired under lease are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term. Depreciation for assets purchased / sold during the period is proportionately charged.

The range of estimated useful lives of items of property, plant and equipment are as follows:

Assets	Useful life
Plant and equipment	7.5 - 15 years
Furniture and fixtures	10 years
Motor vehicles	8 years
Office equipment	3 - 6 years
Buildings	30 - 60 years

Freehold land is not depreciated.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

iv. Reclassification to investment property

When the use of a property changes from owner-occupied to investment property, the property is reclassified as investment property at its carrying amount on the date of classification.

v. Capital work-in-progress (CWIP)

Capital work-in-progress includes cost of property, plant and equipment/ intangible assets under installation / under development as at the balance sheet date.

(b) Investment property

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

The Company depreciates investment properties on a straight-line basis over the useful life of the asset as specified in the para (a) (iii) above.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

Any gain or loss on disposal of an investment property is recognised in the Statement of Profit and Loss.

The fair values of investment property is disclosed in the notes accompanying the standalone financial statements. Fair values are determined by an external independent registered valuer defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017 who holds recognised and relevant professional qualification and has recent experience in the location and category of the investment property being valued.

(c) Intangible assets

Internally generated: Research and development

Expenditure on research activities is recognised in the Statement of Profit and Loss as incurred.

Development expenditure is capitalised as part of the cost of the resulting intangible asset only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete the development and to use or sell the asset. Otherwise, it is recognised in the Statement of Profit and Loss as incurred. Subsequent to initial recognition, the asset is measured at cost less accumulated amortisation and accumulated impairment losses, if any.

Others

Other intangible assets acquired by the Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and accumulated impairment losses, if any. Any other intangible assets which does not qualify for capitalisation are charged off in the Statement of Profit and Loss.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in the Statement of Profit and Loss.

The estimated useful lives are as follows:

Asset	Useful life
Computer software	6 years

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

(d) Impairment

(i) Financial assets

The Company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through the Statement of Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL under simplified approach. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment loss or gain in the Statement of Profit and Loss.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(ii) Non -financial assets

Intangible assets and property, plant and equipment

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generated units to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

(e) Leases

The Company at the inception of a contract, assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee recognises a Right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company does not recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. As a lessor, the Company shall classify each of leases either as finance or an operating lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability is reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included under property, plant and equipment and lease liabilities have been included under financial liabilities.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

As a lessor

Lease income from operating leases, where the Company is a lessor, is recognised on a straight-line basis over the lease term.

(f) Inventories

Inventories are valued at the lower of cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition) and estimated net realisable value, after providing for obsolescence, where appropriate. The comparison of cost and net realisable value is made on an item-by-item basis. The net realisable value of materials-in-process is determined with reference to the selling prices of related finished goods. Raw materials, packing materials and other supplies held for use in production of inventories are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished products will exceed their net realisable value.

The provision for inventory obsolescence is assessed regularly based on estimated usage and shelf life of products.

Raw materials, packing materials and stores and spares are valued at cost computed on moving weighted average basis. The cost includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

Work-in-progress is valued at input material cost plus conversion cost as applicable.

Finished goods and stock-in-trade are valued at the lower of net realisable value and cost (including prime cost, non-refundable taxes and duties and other overheads incurred in bringing the inventories to their present location and condition), computed on a moving weighted average basis.

(g) Financial instruments

i. Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition except trade receivables which are initial recognised at transaction price as they do not contain a significant financing component. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not taken at fair value through profit or loss, are added to the fair value on initial recognition.

ii. Classification and subsequent measurement

Financial assets

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Investment in subsidiaries, joint venture and associates

Investment in subsidiaries, joint venture and associates is carried at cost in the financial statements.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the Statement of Profit and Loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

v. Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Statement of Profit and Loss.

Hedge accounting

The Company has not designated any derivative financial instruments to which hedge accounting would be applied.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(h) (a) Revenue recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Sale of goods

Revenue is recognised when a customer obtains control of the goods which is ordinarily upon delivery at the customer premises and on completion of performance obligation. Revenue is recognised at a transaction price allocated to the extent of performance obligation satisfied after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax, etc. For certain contracts that permit the customer to return an item, revenue is recognised to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognised will not occur. As a consequence, for those contracts for which the Company is unable to make a reasonable estimate of return, revenue is recognised when the return period lapses or a reasonable estimate can be made.

(b) Other recognitions

(i) Income from royalties are recognised based on contractual agreements.

(ii) Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the Statement of Profit and Loss.

(i) Business combination

Business combinations arising from transfers of interest in entities that are under the control of the shareholder who control the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved and they appear in the financial statements of the Company in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the value of net assets and the consequent reduction in value of investment held by the Company is transferred to the capital reserve or to the accumulated balance of profit and loss.

(j) Foreign currencies

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date are recognised as income or expenses in the period in

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

(k) Government grants/Incentives

Government grants/incentives are recognised where there is reasonable assurance that the grants/incentives will be received and all attached conditions will be complied with. When the grants/incentives relates to revenue, it is recognised in the Statement of Profit and Loss on a systematic basis over the periods to which it relate. When the grants/incentives relates to an asset, it is treated as deferred income and recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset.

(l) Income tax

Income tax comprises current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

ii. Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction.
- temporary differences related to investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(m) Borrowing costs

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the Statement of Profit and Loss.

(n) Provisions and contingent liabilities

i. General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent liabilities

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

iii. Onerous contracts

Provision for onerous contracts. i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event based on a reliable estimate of such obligation.

(o) Employee benefits

i. Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering the services are classified as short-term employee benefits, which include benefits like salaries, wages, short-term compensated absences and performance incentives and are recognised as expenses in the period in which the employee renders the related service.

ii. Post-employment benefits

Contributions to defined contribution schemes such as Provident Fund, Pension Fund, etc., are recognised as expenses in the period in which the employee renders the related service. In respect of contributions made to Government administered Provident Fund, the Company has no further obligations beyond its monthly contributions.

The Company also provides for post-employment defined benefit in the form of gratuity and medical benefits. The cost of providing benefit is determined using the projected unit credit method, with actuarial valuation being carried out at each balance sheet date. Remeasurement of the net benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interests) and the effect of the assets ceiling (if any, excluding interest) are recognised in other comprehensive income. The service cost, net interest cost and effect of any plan amendments are recognised in the Statement of Profit and Loss. In respect of certain employees, Provident Fund contributions are made to a Trust administered by the Company. The interest rate payable to the members of the Trust shall not be lower than the statutory rate of interest declared by the Central Government under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and shortfall, if any, after considering the accumulated reserves with the Trust, shall be made good by the Company. To this extent, the Provident Fund scheme could be considered as a defined benefit plan.

The Britannia Industries Limited Covenanted Staff Pension Fund Trust ('BILCSPF') and Britannia Industries Limited Officers' Pension Fund Trust ('BILOPF') were established by the Company to administer pension schemes for its employees. These trusts are managed by the Trustees. The Pension Scheme is applicable to all the managers and officers of the Company who have been employed up to the date of 15 September 2005 and any manager or officer employed after that date, if he has opted for the membership of the Scheme. The Company makes a contribution of 15% of basic salary in respect of the members, each month to the trusts. On retirement, subject to the vesting conditions as per the rules of the trust, the member becomes eligible for pension, which is paid from annuity purchased in the name of the member by the trusts.

iii. Other long-term employee benefits

All employee benefits (other than post-employment benefits and termination benefits) which do not fall due wholly within twelve months after the end of the period in which the employees render the related services are determined based on actuarial valuation or discounted present value method carried out at each balance sheet date. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary every year using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

iv. Voluntary retirement scheme benefits

Voluntary retirement scheme benefits are recognised as an expense in the year they are incurred.

(p) Share based payment

For cash-settled share-based payments, the fair value of the amount payable to employees is recognised as employee benefits expense with a corresponding increase in liabilities, over the vesting period. The liability is remeasured at each reporting period up to, and including the settlement date, with changes in fair value recognised in employee benefits expense.

(q) Cash and cash equivalents

Cash and cash equivalents includes cash on hand, cheques on hand and demand deposits with banks with original maturities of three months or less.

(r) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduces earnings per share or increases loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented in case of share splits.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(s) Cash flow statement

Cash flows are reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

(t) Segment Reporting

Operating segments are reported in a manner consistent with internal reporting provided to the Chief Operating Decision Maker (CODM). The Chief Executive Officer and Managing Director is designated as the CODM.

(u) Recent accounting pronouncements

Lack of exchangeability – Amendments to Ind AS 21

MCA via notification dated 7 May 2025, announced amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments do not have a material impact on the Company's Standalone Financial Statements.

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants -Amendments to Ind AS 1

MCA via notification dated 13 August 2025 announced amendments to Ind AS 1, Presentation of Financial Statements, which elaborate on guidance set out in Ind AS 1 by:

- clarifying that the right to defer settlement of a liability for at least 12 months after the reporting period;

  a) must have substance, and b) must exist at the end of the reporting period;
- stating that management's expectations around whether the settlement of a liability would be deferred or not, does not impact the classification of the liability;
- including requirements for liabilities that can be settled using an entity's own instruments; and
- stating that at the reporting date, the entity does not consider covenants that will need to be complied with in the future when considering the classification of the debt as current or non-current In addition, an entity is required to disclose when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments do not have a material impact on the Company's Standalone Financial Statements.

Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107

MCA via notification dated 13 August 2025 announced amendments to Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures which introduced disclosure requirements with the objective to enable users of financial statements to assess how supplier finance arrangements affect an entity's liabilities, cashflows and exposure to liquidity risk.

The amendments do not have a material impact on the Company's Standalone Financial Statements.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

International Tax Reform - Pillar Two Model Rules - Amendments to Ind AS 12

MCA via notification dated 13 August 2025 announced amendments to Ind AS 12, Income Taxes, which includes:

- a temporary exception to the recognition and disclosure of deferred taxes arising from the implementation of the Pillar Two model rules; and
- additional disclosure requirements targeted at a reporting entity's exposure to income taxes in periods in which the Pillar Two Model legislation is enacted or substantively enacted but not yet in effect.

The amendments do not have a material impact on the Company's Standalone Financial Statements.

New standards and amendments to existing Standards which are issued but are not yet effective and have not been early adopted by the Company

Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants - Amendments to Ind AS 1

Paragraph 74 of Ind AS 1 currently effective for the year ended 31 March 2026 requires the entity not to classify the liability as current, if there is a breach of a material covenant of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, however, the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

MCA vide notification dated 13 August 2025, has introduced amendment under Paragraph 74 of Ind AS 1 which requires the entity to classify the liability as current under the aforementioned situation because, at the end of the reporting period, it does not have the right to defer its settlement for at least twelve months after that date. Such amendment has been made effective for annual reporting periods beginning on or after 01 April 2026 retrospectively in accordance with Ind AS 8.

This amendment is not expected to have a material impact on the Company's Standalone Financial Statements.

Nature and purpose of other reserves

Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Act.

Capital redemption reserve

The Company previously had purchased its own shares and as per the provisions of the applicable laws, a sum equal to the nominal value of the shares so purchased was required to be transferred to the capital redemption reserve.

Capital reserve

Capital reserve represents subsidy received for industrial undertaking under Central Capital Investment Subsidy Scheme, 2003.

Retained earnings

Retained earnings are the accumulated profits earned by the Company till date, less dividend and other distributions made to the shareholders.

Dividends

The following dividends were declared and paid by the Company in the respective years:

As at	31 March 2026	31 March 2025
₹ 75.00 per equity share of face value of ₹ 1 each (31 March 2025: ₹ 73.50 per equity share of face value of ₹ 1 each) to equity shareholders	1,806.51	1,770.38

After the reporting date, a final dividend of ₹ 90.50 per equity share of face value of ₹ 1 each was proposed by the directors subject to approval at the annual general meeting. The proposed dividend has not been recognised as liability.

Income tax on other comprehensive income and others	0.18	0.46
Net income tax liability at the end	**(1.07)**	**(73.63)**

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 36 - Contingent liabilities and commitments (to the extent not provided for)

(i) Contingent liabilities:

(a) Claims / demands against the Company not acknowledged as debts including excise duty, income tax, sales tax and trade and other demands of ₹ 42.20 (31 March 2025: ₹ 12.22)

(b) Bank guarantees and letters of credit for ₹ 66.47 (31 March 2025 : ₹ 49.69)

Notes:

[1] Contingent liabilities disclosed above represent possible obligations where possibility of cash outflow to settle the obligations is not remote.

[2] The above does not include non-quantifiable industrial disputes and other legal disputes pending before various judicial authorities [Also Refer note 40 and 46].

[3] The Supreme Court of India in the month of February 2019 had passed a judgement relating to definition of wages under the Provident Fund Act, 1952. Considering that there are numerous interpretative issues relating to this judgement and in the absence of reliable measurement of the provision for the earlier periods, the Company had made a suitable provision for provident fund contribution during the Financial Year 2018-19. The Company will evaluate its position and update its provision, if required, on receiving further clarity on the subject. The Company does not expect any material impact of the same.

Regarding item (i) above, an indication of the uncertainties relating to outflow and the possibility of any reimbursement is determinable only on occurrence of uncertain future events / receipt of judgements pending at various forums.

(ii) Commitments:

(a) Estimated amount of contracts remaining to be executed on capital account and not provided for ₹ 98.22 (31 March 2025: ₹ 157.11).

(iii) The Company has furnished the following letter of comfort:

Banking facilities given to	Name of the bank	31 March 2026	31 March 2025
(i) Strategic Food International Co. LLC, Dubai	Standard Chartered Bank	12.72	11.63
(ii) Kenafric Biscuits Limited	Diamond Trust Bank	9.36	-

These letters are not to be construed as a guarantee issued by the Company.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 37

(a) Short-term leases:

(i) The Company has certain short-term leases for office facilities, depot and residential premises. Such leases are generally with the option of renewal against increased rent and has terms relating to premature termination of agreement. Rental expenses of ₹ 50.94 (31 March 2025: ₹ 56.82) in respect of obligation under short-term leases have been recognised in the Statement of Profit and Loss.

(ii) The Company has certain cancellable arrangements with contract packers identified to be in the nature of lease and have been classified as short-term lease arrangements. Rental expenses of ₹ 26.69 (31 March 2025: ₹ 33.46) in respect of obligation under short-term leases have been recognised in the Statement of Profit and Loss.

(b) Leases liabilities:

(i) The Company has taken motor vehicles on lease. The total minimum lease payments and present value of minimum lease payments are as follows:

	31 March 2026		31 March 2025	
	Minimum lease payments	Present value of minimum lease payments	Minimum lease payments	Present value of minimum lease payments
Not later than 1 year	1.34	1.26	0.69	0.65
Later than 1 year and not later than 5 years	0.38	0.36	0.51	0.48
	1.72	**1.62**	**1.20**	**1.13**

The difference between minimum lease payments and the present value of minimum lease payments of ₹ 0.10 (31 March 2025: ₹ 0.07) represents interest not due. The lease liability is secured by the relevant vehicles acquired under lease.

(ii) The Company has taken certain lands on lease for factory purposes. Since these are entirely prepaid, the Company does not have any future lease liability towards the same.

(c) Nominal value of equity shares (₹)	1	1
(d) Basic/Diluted earnings per share (₹)	106.35	88.46

Note 42 - Segmental information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes.

The operating segment of the Company is identified to be "Foods" as the CODM reviews business performance at an overall Company level as one segment.

The Company has presented segmental information in the consolidated financial statements which are presented in the same annual report. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in these standalone financial statements.

Note 44 - Employee benefits

(a) Post employment benefit - Defined contribution plans

(i) The Company has recognised an amount of ₹ 7.42 (31 March 2025: ₹ 9.11) as expenses under the defined contribution plans in the Statement of Profit and Loss for the year:

	31 March 2026	31 March 2025
Contribution to:		
Provident Fund	5.17	6.32
Family Pension Scheme	2.00	2.39
Pension Fund	0.25	0.40
Total	**7.42**	**9.11**

(b) Post employment benefit - Defined benefit plans

I. Provident fund - Contribution made by the Company during the year to the self administered Trust is ₹ 14.53 (31 March 2025: ₹ 11.76). With regard to the assets of the fund and the return on the investments, the Company does not expect any significant deficiency in the foreseeable future.

II. The Company has two funds: Britannia Industries Limited Covenanted Staff Gratuity Fund and Britannia Industries Limited Non Covenanted Staff Gratuity Fund, which are funded defined benefit plans for qualifying employees.

Vesting (for both the funds mentioned above) occurs in accordance with the provisions of the Payment of Gratuity Act, 1972. The present value of the defined benefit obligation and the related current service cost are measured using the projected unit credit method as per the actuarial valuation being carried out at the balance sheet date.

[Refer note 47]

		31 March 2026	31 March 2025
1.	Reconciliation of net defined benefit asset / (liability):		
(i)	Reconciliation of present value of defined benefit obligation:

		31 March 2026	31 March 2025
7.	Principal actuarial assumptions:		
	Discount factor [Refer note (i) below]	7.15%	7.10%
	Estimated rate of return on plan assets [Refer note (ii) below]	7.15%	7.10%
	Mortality rate	Indian Assured Lives Mortality (IALM) (2012-14) Ult.	Indian Assured Lives Mortality (IALM) (2012-14) Ult.
	Attrition rate:		
	Service related:		
	4 years and above	4%	4%
	Below 4 years	25%	25%
	Salary escalation rate [Refer note (iii) below]	7%	7%
	Retirement age (in years)	58	58
8.	Maturity profile of defined benefit obligation (on an undiscounted basis):		
	Within 1 year	7.07	4.59
	1-2 year	6.48	2.74
	2-3 year	8.56	3.46
	3-4 year	7.35	4.11
	4-5 year	11.54	4.17
	Next 5 years	62.34	33.13
9.	Weighted average duration of the defined benefit obligation	11 years	11 years
10.	Expected contribution for the next year	7.07	4.59

Notes:

(i) The discount rate is based on the prevailing market yield on Government Securities as at the balance sheet date for the estimated term of obligations.

(ii) The expected return on plan assets is determined considering several applicable factors mainly the composition of the plan assets held, assessed risks of asset management, historical results of the return on plan assets and the Company's policy for plan asset management.

(iii) The estimate of future salary increases considered in actuarial valuation takes into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

(iv) The disclosure above includes amounts for both Britannia Industries Limited Covenanted Staff Gratuity Fund and Britannia Industries Limited Non Covenanted Staff Gratuity Fund.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

11. Sensitivity analysis

The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate and expected salary increase.

The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The changes in the closing balances of obligation as at year end is as follows:

	31 March 2026	31 March 2025
A. Discount rate:		
Discount rate -50 basis points	4.08	2.29
Assumptions	6.65%	6.60%
Discount rate +50 basis points	(3.87)	(2.17)
Assumptions	7.65%	7.60%
B. Salary escalation rate:		
Salary rate -50 basis points	(3.70)	(2.08)
Assumptions	6.50%	6.50%
Salary rate +50 basis points	3.86	2.17
Assumptions	7.50%	7.50%
C. Withdrawal rate:		
Withdrawal rate -100 basis points	(0.03)	0.02
Withdrawal rate +100 basis points	(0.09)	(0.09)

Note 45 - Corporate Social Responsibility ("CSR")

As per Section 135 of the Companies Act, 2013, the CSR obligation of the Company is ₹ 54.79 (31 March 2025: ₹ 50.16). The details of the CSR expenditure are as follows:

For the year ended	31 March 2026	31 March 2025
(i) Amount required to be spent by the Company during the year	54.79	50.16
(ii) Amount of expenditure incurred	-	50.44
(iii) Excess amount spent	-	0.28
(iv) Utilisation of excess amount spent in the previous year	0.28	-
(v) Shortfall at the end of the year [Refer note below]	54.51	-
(vi) Nature of CSR activities :	Health & Nutrition, Community Rehabilitation & Rural Development	Promoting Education, Healthcare Growth and Development of Children, preventive health care for women and community development

Note:

The CSR projects approved by the Board are being implemented over a period of time. Accordingly, the unspent amount has been transferred to the Unspent CSR Account of the Company in compliance with Section 135(6) of the Companies Act, 2013 and will be utilised in accordance with the approved Project timelines.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 46

During the year ended 31st March 2016, pursuant to the queries received from the Securities and Exchange Board of India (SEBI), the Company conducted a preliminary internal investigation and identified certain irregularities with respect to share related operations and dividend encashment activities by M/s Sharepro Services (India) Private Limited ('Sharepro'), the Company's erstwhile Registrar and Share Transfer Agent. The Company subsequently filed a criminal complaint against Sharepro and its employees. Pursuant to the ExParte-AD-Interim Order dated 22nd March 2016 issued by SEBI, the Company appointed an independent external agency to conduct an audit of the records and systems of Sharepro. The audit report was submitted to SEBI by the Company vide its letter dated 12th July 2016. Thereafter, upon receipt of the Show Cause Notice dated 8th November 2019 from SEBI in a related matter, the Company filed a settlement application and SEBI passed a settlement order on 17th September 2020.

Based on the consultations with its legal counsel and the outcome of the regulatory proceedings, the Company has been advised that no liability devolves on the Company in this matter. Accordingly, no provision is considered necessary in the financial statements. The Company continues to evaluate additional steps, if any, based on the directions of SEBI or any other regulatory authorities.

Note 47

The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes, collectively referred to as the 'New Labour Codes' and notified these with effect from 21 November 2025. The New Labour Codes, amongst other changes, provide a unified definition of "Wages" to be applied across various employee benefit computations. As a result of this, the Company has recognised (as past service cost) ₹ 46.46 towards increase in liability of gratuity and compensated absences. The Company continues to monitor the developments relating to the implementation of the New Labour Codes and will review the estimates based on notification of final rules.

Note 48 - Capital management

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investors, creditors and market confidence and to sustain future development and growth of its business. In order to maintain the capital structure, the Company monitors the return on capital, as well as the level of dividends to equity shareholders. The Company aims to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to all its shareholders. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves and debt includes non-current borrowings, current borrowings, non-current lease liabilities and current lease liabilities.

The Company monitors capital on the basis of the following gearing ratio.

As at	31 March 2026	31 March 2025
Total debt [Refer note 20 (a) and 20 (b)]	1,347.78	1,217.68
Total equity (Refer note 18 and 19)	4,641.23	3,886.55
Debt to equity %	29.04%	31.33%

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 49 - Financial instruments - fair values and risk management (continued)

Investments in mutual funds and Investments with insurance companies which are classified as FVTPL are measured using net assets value at the reporting date multiplied by the quantity held.

No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

No funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Board. The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk and market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. A summary of the risks have been given below.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans given. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to customers, including outstanding accounts receivables. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. Based on our assessment and current estimates the carrying value and the provisions made as at 31 March 2026 is considered adequate.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company limits its exposure to credit risk from trade receivables by establishing a appropriate credit period for customer. In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are wholesale, retail or institutional customers, their geographic location, industry, trading history with the Company and existence of previous financial difficulties. The default in collection as a percentage to total receivable is not material.

Other financial assets

The credit risk relating to cash and cash equivalents, bank balances, trade receivables, loans receivable, investments in tax-free bonds, investments in debentures/bonds, investments in preference shares, investments in government securities, investments in commercial papers, borrowings, trade payables and other financial assets and liabilities approximate their carrying amount largely due to the nature of these instruments. The Company's loans have been contracted at market rates of interest. Accordingly, the carrying value of such loans approximate fair value. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets as at 31 March 2026 and 31 March 2025. To reduce this risk, The Company's Treasury department has concentrated its main activities with a limited number of counter-parties which have secure credit ratings. Individual risk limits are set for each counter-party based on financial position, credit rating and past experience. Credit limits and concentration of exposures are actively monitored by the Company's treasury department.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 49 - Financial instruments - fair values and risk management (continued)

The Company's exposure to credit risk for trade receivables by geographic region is as follows: (Refer note-13)

	Gross carrying amount	
	31 March 2026	31 March 2025
India	364.04	337.96
Others	46.48	47.03
	410.52	**384.99**

The Company's exposure to credit risk for trade receivables by type of counterparty is as follows:

	Gross carrying amount	
	31 March 2026	31 March 2025
Institutional and modern trade	207.28	170.98
Authorised wholesaler	108.15	98.53
Exports	46.48	47.03
Others	48.61	68.45
	410.52	**384.99**

Movement in the loss allowance for impairment in trade receivables:

	31 March 2026	31 March 2025
Opening balance	5.36	4.26
Amount provided for	0.42	1.10
Net remeasurement of loss allowance	**5.78**	**5.36**

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, that it will always have sufficient liquidity to meet its liabilities when due. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by the senior management.

The Company aims to maintain the level of its cash and cash equivalents and other highly marketable debt investments at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Company also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities. At 31 March 2026, the expected cash flows from trade receivables is ₹ 404.74 (31 March 2025: ₹ 379.63). This excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

In addition, the Company maintains a line of credit fund based facility of ₹ 4,435.00 (31 March 2025: ₹ 3,655.00) with various banks that is unsecured. Interest would be payable basis prevailing MCLR/T-Bill plus applicable margin (31 March 2025 : prevailing MCLR/T-Bill plus applicable margin).

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 49 - Financial instruments - fair values and risk management (continued)

The table below provides details regarding the undiscounted contractual maturities of significant financial liabilities as at 31 March 2026 and 31 March 2025:

Particulars	As at 31 March 2026		
	Less than 1 year	1-2 years	2 years and above
Non-derivative financial liabilities			
Trade payables (Refer note 22)	1,781.87	-	-
Other financial liabilities (Refer note 21 and 23)	385.38	6.45	66.35
Borrowings (Refer note 20 (a)) *	1,110.14	169.50	138.84
Lease liabilities (Refer note 20 (b)) *	1.34	0.38	-
	3,278.73	**176.33**	**205.19**

* Includes interest

Particulars	As at 31 March 2025		
	Less than 1 year	1-2 years	2 years and above
Non-derivative financial liabilities			
Trade payables (Refer note 22)	1,592.40	-	-
Other financial liabilities (Refer note 21 and 23)	374.32	12.07	59.99
Borrowings (Refer note 20 (a)) *	562.71	471.64	308.34
Lease liabilities (Refer note 20 (b)) *	0.69	0.51	-
	2,530.12	**484.22**	**368.33**

* Includes interest

Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates and interest rates - will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The Company is exposed to currency risk to the extent that there is mismatch between the currencies in which sales, purchase are denominated and the respective functional currencies of Company. The Company has export sales (2% to 3% of total sales) primarily denominated in US dollars. At any point in time, the Company hedges 95% to 100% of its estimated foreign currency exposure in respect of sales and purchases over the following 12 months. The Company uses forward exchange contracts to hedge its currency risk, most with a maturity of less than one year from the reporting date.

Exposure to currency risk

The summary quantitative data about the Company's gross exposure to currency risk is as follows:

Value in crores

Description	31 March 2026	31 March 2025
	USD	USD
Export receivables - forward cover	0.71	0.48

The Company uses forward exchange contracts to hedge the currency exposure and is therefore not exposed to significant currency risk at the respective reporting dates.

NOTES TO STANDALONE FINANCIAL STATEMENTS (CONTINUED)

(All amounts ₹ in Crores, unless otherwise stated)

Note 49 - Financial instruments - fair values and risk management (continued)

Sensitivity analysis

The impact of strengthening/weakening of currency on the Company is not material as Company hedges 95% to 100% of the foreign currency exposure.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company's exposure to risk of changes in market interest rate is minimal.

Sensitivity analysis

The sensitivity analysis have been determined based on the exposure to interest rates for debt obligations with floating rates. The impact on the Company of movement in interest rate by 100 basis points higher or lower and considering all other variables constant, is not material.

Note 50

A. Revenue streams:

The Company is primarily involved in the manufacturing and sale of various food products. Other sources of revenue include scrap sales, Government incentives and royalty income.

	Note	31 March 2026	31 March 2025
Sale of goods	26	18,119.45	16,859.22
Other operating revenues	26	326.37	436.70
Revenue from operations		**18,445.82**	**17,295.92**

B. Disaggregation of revenue from contracts with customers:

In the following table, revenue from contracts with customers is disaggregated by primary geographical market.

	31 March 2026	31 March 2025
India	17,766.23	16,442.55
Others	353.22	416.67
Sale of goods	**18,119.45**	**16,859.22**

The Company does not incur any cost to obtain or fulfil a contract with the customer.

C. Reconciliation of net sale of goods:

	31 March 2026	31 March 2025
Gross Sales Value	19,186.36	17,685.94
Less: Stock returns	156.77	149.70
Less: Discounts, promotions & channel margins	910.14	677.02
Sale of goods	**18,119.45**	**16,859.22**

D. Assets and liabilities related to contract with customers:

As at	Note	31 March 2026	31 March 2025
Gross Trade receivables	13	410.52	384.99
Deposits from customers	21	62.46	54.76
Advance from customers	24	48.25	42.01

Note 53 - Cash-settled Phantom Option Scheme

The Cash-settled Phantom Option Scheme creates an opportunity to link the employee reward to Company's share price performance. Under this scheme, Company grants stock appreciation rights to select employees. Cash pay-out equivalent to the appreciation in the value of shares is made when exercised after vesting period.
The fair value of the Cash-settled Phantom Option Scheme was determined using the Black-Scholes model based on the following inputs as at each reporting date:

Description	31 March 2026	31 March 2025
No of options outstanding	45,699	7,96,546
Share price at measurement date (₹)	5,423.00	4,936.90
Expected volatility as at measurement date	14.19% -30.10%	15.42% - 29.76%
Expected dividends expressed as a dividend yield	1.52%-1.74%	1.34% - 2.28%
Risk free rate	5.49%-6.40%	6.56% - 6.61%
Vesting period (years)	3	1 to 3
Exercise period	6 months	6 months to 3 years

Liability at the year-end classified as:

Description	31 March 2026	31 March 2025
Current	1.63	51.64
Non-current	1.94	10.36
Total	**3.57**	**62.00**
